Welcome to the new VinTel e

To view your Performance Report, select the Reports menu option on the left.
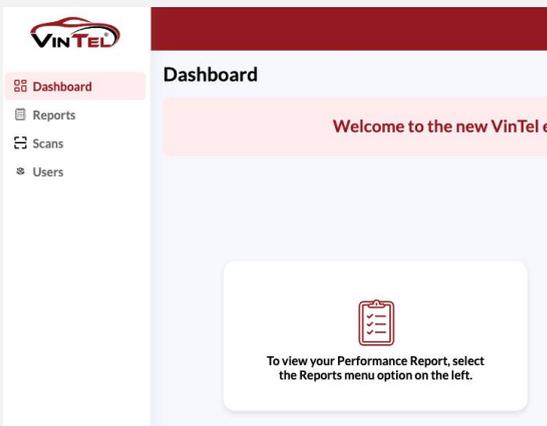

User Tab

1. Click on Users.
2. Click on Add New User.
3. Fill in information.
4. Set password to same as default: **p@SSw0rd**
5. When new users log in, it will make them change at that time.

Loading the Chrome Extension

1. Go to **govintel.com** and click on **VinTel Chrome Extension** at the top navigation bar.
2. Download and save to your chrome - we recommend pinning it.
3. You can now close and reopen a new tab to go to a website with inventory.
4. When you click on a VIN number, it will open a VinTel tab on right of screen.
5. Click on the VinTel tab and enter in your new username and password for DASHBOARD.
6. This will allow VinTel to work in all of your desktop applications.
